Essay Questions

Please complete responses to **two of the three** following questions on separate sheets of paper. Responses to each essay should be at least 500 words. If your essays are not typed, please ensure your handwriting is clear and legible.

1. Describe your interest in the environment and how this interest influences your career goals. How has this interest already influenced your life? What level of involvement have you already had in studying the environment or working on environmental issues or projects?
2. “Sustainability” has become a commonly used term that can have very different meanings to different people. How would you define this term and why do you believe it has become such an important concept? What are some sustainable actions or ideas that we can implement in our everyday lives?
3. What do you see as the most pressing environmental concern world-wide? What are the major impediments standing in the way of improving the issue? What needs to be done or what must occur for progress to be made?
